### Adult Learning Program (ALP)

Did you leave school without your high school diploma? We can help you complete it as an adult, even if you have your GED. At NSCC, you can **earn your adult high school diploma online, for free.**

#### Why choose NSCC?

- There are **no tuition** costs for ALP
- With **flexible learning options**, you can choose from scheduled, real-time online class sessions (day or evening) where you meet virtually with instructors and classmates, or you can enrol in online classes that you can take anytime, anywhere – on your own schedule.
- **Learn at your own pace.** ALP can be taken full-time or part-time, so you can learn while you work or take care of your kids.
- **Existing Grade 11 or 12 credits count**, so you can complete ALP in a shorter period of time.
- **Multiple start dates through the year:** **September 8, January 15, etc.**
- **Free** access to many supports and services, such as **advising and counselling**
- **Get recognition for courses** and/or training **you've already completed** (like apprenticeship training, community college or university courses)

#### Eligibility

To enter ALP, you must:

- Be at least 19 years old
- Not graduated from high school
- Have an intake interview and placement assessment done by an ALP counsellor

#### Paying for school

Although tuition is free, there are still some costs associated with being a student. Here are [a few options that can help you pay for school](#)

#### Are you on or going on EI?

You'll have to work with your [local Employment Nova Scotia office](#) to complete a [Skills Development](#) application before starting. Start this process at least three months early.

#### Learn more and apply

If you're ready to begin your journey towards better career prospects and higher pay, [apply today](#) or [contact your local NSCC campus](#) to find out more.
